

Optimization

Jein-Shan Chen (陳界山)

Dean and Distinguished Professor
Department of Mathematics
College of Science
National Taiwan Normal University

PhD in Math, University of Washington
Webpage: <https://math.ntnu.edu.tw/~jschen/>
E-mail: jschen@math.ntnu.edu.tw

Research Focus

- Symmetric Cone Optimization
- Nonsymmetric Cone Optimization
- Complementarity Functions in Optimization
- Optimization in Data Science

Publish 168 journal articles and two monographs

“SOC Functions and Their Applications”, Springer Optimization and Its Applications 143, Springer Nature, Singapore, 2019.

“Complementarity Functions in Optimization”, Springer Optimization and Its Applications 228, Springer Nature, Switzerland, 2026.
