Naresuan University Long-term Inbound Exchange Program 2026 - 2027

Overview

The Naresuan University Long-term Inbound Exchange Program 2026-2027 is an initiative dedicated to providing international students with an opportunity to engage in academic exchange activities and spend a semester at our university. The program offers two distinct plans for students to choose from: **Plan A: Global Linkage Inbound Program (GLIP)** or **Plan B**. Both programs offer a variety of projects such as academic coursework aligned with their field of study to gain academic credits, professional internships, or research assistants of research projects. We offer extensive support apart from each program features, which includes airport pick-up at Phitsanulok airport, a comprehensive orientation, a Thai Buddy Program to help them settle in, and dedicated assistance with visa and other necessary documents.

Program Features

Plan A: GLIP

The program offers participants the variety to select their preferred exchange period. The exchange duration is one semester (approximately 3-4 months), following the participant's academic calendar.

Important Note:

The chosen period must fall within the project's designated timeframe. Some projects may have specific duration requirements that are longer than four months.

Scholarships

Tuition fee waivers, a shared room in an on-campus dormitory with another international student (excluding electricity charges), and a stipend of 240 THB per day for living expenses.

Plan B

A key feature of Plan B is that participants in this program will have all tuition fees waived, and will earn academic credits for their involvement. The number of credits awarded is determined by the specific project a student chooses.

Program Duration

One semester based on the Naresuan University academic calendar. Participants may choose to join in November 2026 - March 2027 for 2nd semester of 2026 or June - October 2027 for the 1st Semester of 2027.

Scholarships

Tuition fee waivers

Important remark: The University will select the most qualified candidates to attend the programs at Naresuan University. The final selection result will be made by the Naresuan University committee.

How to apply

Admission Website

01

Explore available projects

See details of available project at <https://www.diald.nu.ac.th/glip/index.php> or scan QR Code

02
